Once there was a puppy  
named Buddy. He loves  
to eat!

Buddy always begged for food. He would whine and moan. But he never would get what he wanted.

He would hop on the table after breakfast to see if there were any crumbs. But Buddy was always to late. His owner is very neat so after she eats she always cleans the table.

Since he never got to eat  
he also liked to go  
outside. Under the tree  
sits his brand new tennis  
ball but he was still  
hungry so he didn't want  
to play with it.

Then he saw a butterfly.  
Buddy had never seen  
one before. He thought  
it was interesting. So he  
started to follow it.

Then it fluttered away.  
He tried to find it but it  
went out into the forest.  
Now he was alone he  
forgot about his hunger.

Then he saw a a little girl  
she had a red ribbon in  
her hand. She started to  
walk toward him. She  
said “come here little dog  
you look like the right  
dog to put a red ribbon  
on.” Buddy started to  
walk toward her.

He smells something good. His owner Secilia is eating at the table while writing a recipe.

His owner has a daughter that just had a birthday and she got a lot of jewellery. So she is always around the house with shiny jewels on her everywhere.

Buddy finally got bored again so he went back outside and saw his tennis ball. He knew he wasn't going to eat for a while so he started to play around.

Again Buddy saw another girl coming down the street. She had seen the same butterfly that Buddy had.

She started to walk  
toward the beach and  
Buddy started to follow.  
Now they were chasing  
each other down the  
border line of the beach.
