Childhood is when you  
played in the snow.

Childhood is when you saw amazing things.

Childhood is when you had firsts.

Childhood is when you  
felt like you are a pretty  
little princess.

Childhood is when you  
kissed your little brother  
goodnight.

Childhood is when you felt like you can dream.

Childhood is when you had the time of your life.

Childhood is when you  
always hid from your  
parents.

Childhood is when he took care of you.

Childhood is something  
that means something to  
you.

Childhood is when your  
mom could lift you up in  
the sky.

Childhood is when you learned how to ride for hours.

This is my story on childhood.
